LOW RISE PLATFORM LIFT

EUROPEAN QUALITY

# EL200

## Low Rise Platform Lift

The EL200 is a low rise platform lift, also known as wheelchair lift, perfect for indoor and outdoor use.

Developed with a focus on design for applications with changes in level up to 2000mm in residential and commercial environments.

Manufactured in Europe, the EL200 platform lift offers a stylish solution for your access compliance needs.

The EL200 is easily integrated into your project, no need for a pit, a separate

machine room is not required and simply operates on single phase 240 volt power.

The modern aesthetics and strength is state of the art and sets the standard in high quality disabled access solutions.

Many access solutions available on the market are industrial in appearance; the clean lines of the EL200 platform will ensure it sits proudly in the most prestige foyer, restaurant or public area.

Also suitable for private homes, aged care and schools, the EL200 platform is truly a work of functional art.

12-month warranty is supplied as standard  
Easy Living Platform Lifts offer a range of maintenance & service  
options tailored to your specific requirements.
